Hunter wheel alignment is the industry standard and is **REQUIRED** for all Nissan dealerships by October 2025.

Recommended by Nissan and Hunter to future-proof your shop. Ultimate ADAS® has all of the same features of HawkEye Elite® with WinAlign® software but with the added ability of completely guided ADAS calibration procedures.

Targets and mats for all Nissan and Infiniti vehicles

Targets and mats for current Nissan and Infiniti vehicles. Hunters Ultimate ADAS is built with the future in mind and offers the flexibility to add additional targets and mats to meet new model needs.

- A** Surround view mats
- B** Forward-facing camera targets
- C** Forward-facing radar plate

World-class printouts document work

Full documentation of wheel alignment with confirmed ADAS placements and procedures in printed and digital formats
