# Hunter's industry standard wheel alignment plus ADAS support for Lexus vehicles

Ultimate ADAS® has all of the same features of HawkEye Elite® with WinAlign® software but with the added ability of completely guided ADAS calibration procedures.

## Surround view mat

## Tailored target and mat kits to cover Lexus vehicles\*

Hunter's Ultimate ADAS® is built with the future in mind and offers the flexibility to add additional targets and mats to meet new model needs.

*Coverage also available for other makes and models for collision and used cars.*

## Forward-facing camera targets

## Advanced Surround View Targets

\* Contact your local Hunter Team for full details on Lexus target suites.

## World-class printouts document work

Full documentation of wheel alignment with confirmed ADAS placements and procedures in printed and digital formats.

Hunter's new ADAS Hub details step-by-step guidance for shops to start servicing this huge market opportunity right now.

- Understand the market
- Utilize available space
- Select equipment
- Arrange training
- Determine pricing
- Communicate with customers
