alignment
technology

Complete
documentation

Hunter's industry standard wheel alignment plus ADAS for Kia.

Recommended by Kia and Hunter to future-proof your shop. Ultimate ADAS® has all of the same features of HawkEye Elite® with WinAlign® software but with the added ability of completely guided ADAS calibration procedures.

Forward-facing camera targets

Surround view mat

Targets and mats for all Kia vehicles

Hunter's Ultimate ADAS® is built with the future in mind and offers the flexibility to add additional targets and mats to meet new model needs.

Coverage also available for other makes and models for collision and used cars.

Error-Proof Procedures

Confirms placement using cameras and lasers, and returns tech to previous steps when an error is detected.

World-class printouts document work

Full documentation of wheel alignment with confirmed ADAS placements and procedures in printed and digital formats.
